WHAT IS CORY PLACE?

CORY SERVICES.

INVESTING IN OUR YOUTH IS INVESTING IN OUR FUTURE

Temporary Shelter Care

CORY Place, Inc. is a 24-hour crisis intervention agency. CORY Place is designed to provide a variety of services for youth, ages 12-20 and their families living in Bay, Arenac, and Gladwin counties. CORY services are designed to assist youth and their families in opening the lines of communication and to help make decisions that will improve the Parent-Youth relationship.

CORY Place provides temporary shelter care, long term shelter care, counseling services for individuals and families, and a street outreach program. CORY Place staff are very knowledgeable of the community and act as a referral source to other community agencies.

Our TSC program provides placement for youth ages 12-20. During placement youth live at CORY while attending weekly counseling meetings and group sessions. Before youth return home CORY staff meet with youth and his or her family to ensure return to a safe living environment. For youth under 18, a parent signature is required for admittance into the program.

Transitional Living Program
Our TLP program consists of up to two year placement for youth ages 17-20. During these two years youth learn the skills necessary to live on their own. In their time at CORY, TLP residents attend weekly counseling sessions, group sessions, and life skills classes. While at CORY, TLP residents work with staff to become knowledgeable about fiancés, college, housing, applying for jobs, etc. Upon completion of the program most youth on to live in their own apartments. For youth under 18, a parent signature is required for acceptance into the program.

CORY PLACE SERVICES

- Temporary Shelter Care for youth ages 12-20.
- Transitional Living Program for homeless youth ages 17-20.
- Crisis counseling for youth and families.
- Street Outreach services

Street Outreach

CORY's most recent program, the street outreach program, CORY provides personal hygiene kits, a night stay at our facility, a hot shower, and a healthy meal for youth living on the streets. This program serves youth ages 12-20, and parental consent is not needed to utilize this service. This program is designed to help meet the needs of youth who choose not to become part of CORY TSC program.

Counseling Services

CORY Place also offers free counseling services for the community. We offer individual counseling at our facility or in local schools and family counseling. CORY Place counselors do not diagnose disorders, but offer a listening ear. Like the rest of our services, counseling is confidential.
